Leawo Software recently launched their 2022 Summer Holiday online sales, offering 91% off 4-in-1 iOS Package, other up to 70% off products, and Tunes Cleaner as freebie.

**Shenzhen, Guangdong Jul 6, 2022 ([Issuewire.com](http://Issuewire.com))** - Summer Holiday 2022 is just around the corner. This summer, many people will be looking to escape their homeland and jetting off overseas to forget about the travel restrictions that have plagued the past two years due to the global coronavirus pandemic. It should be the best way to spend their annual leave. However, due to the trip and inflation, many people might stick to a tight budget. Therefore, to help people save money on their iOS devices, Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, especially launches their [2022 Summer Holiday Giveaway & Specials](#), offering 91% off the 4-in-1 iOS Package. In addition, until July 31, 2022, people can get up to 70% off bundles and singles like Leawo All-in-1 Bundle, Ultimate Blu-ray Toolkit, [CleverGet Video Downloader](#), etc., as well as the best music library cleaner – [Tunes Cleaner](#) as a freebie.

Of all deals, the Leawo 4-in-1 iOS Package should be the best option, which can transfer data and files between iOS devices, computers, and iTunes, repair the iOS/tvOS system, clean up iTunes and other music libraries, recover data and files from iOS devices, iTunes and iCloud, etc. With a 91% discount, people can get this powerful bundle at the price of \$19.98, saving \$189.82 in this event. In other words, a single product in this package costs less than \$5. Below are detailed descriptions of each product:

- [Leawo iTransfer](#) – This is yet the most powerful transfer software for iPhone, iPad, and iPod. With the support of advanced file scanning and transferring technology, it is able to transfer music, videos, photos, SMS, and other up to 12 kinds of files between iOS devices, iTunes, and computers seamlessly. In addition, it can make iPhone, iPad, and iPod as flash drives to store any file.

- [Leawo iOSFix](#) – This is the most comprehensive iOS system recovery software, which is able to fix 50+ iOS/tvOS issues, such as stuck on the Apple logo, stuck on a black screen, iPhone keeps restarting, iPhone no service, etc. Users can choose Standard Mode or Advanced Mode to repair their iOS/tvOS devices' data lossless or more thoroughly, respectively.
- **Leawo Tunes Cleaner** – This is an intelligent program that can clean up the iTunes library and other music libraries efficiently, detect and delete duplicates from the target library, as well as fix, add, or edit music tags like albums, song name, artist, etc. What's more, the internal scoring system will automatically score the target libraries before and after cleanup, so that people can better manage their music libraries.
- **Leawo iOS Data Recovery** – This is an all-in-one data recovery software for iPhone, iPad, and iPod. With the most accurate scanning and recovery technology, it can recover iOS data from iTunes backup, iCloud backup, and even the iOS device itself easily, no matter if the data has been lost, damaged, or deleted. The latest update also makes it available for the newest iOS systems and iOS devices.
