

Daniel Benhuri, MD, an Internist in Private Practice

Get to know Internist Dr. Daniel Benhuri, who serves patients in Los Angeles, California.

New York City, New York Jul 27, 2022 ([Issuewire.com](https://www.issuewire.com)) - A board-certified internist and primary care physician, Dr. Benhuri has been helping patients throughout the Los Angeles area stay as healthy as possible for over 7 years. He and his friendly and knowledgeable staff ensure patients receive prompt treatment and the resources they need to make the best-informed decisions for their care.

Treating a wide range of medical conditions for adults including diabetes, high blood pressure, high cholesterol, anxiety, depression, urinary tract infections, and sexually transmitted diseases. He also provides travel vaccines and screenings for cancer, cardiovascular disease, and thyroid conditions, as well as assistance for individuals struggling with obesity and weight-loss concerns.

Originally from New York City, Dr. Benhuri earned his undergraduate degree at UCLA, and graduated with his medical degree from the University of Toledo College of Medicine. He then returned to his hometown and completed his residency in internal medicine at the Icahn School of Medicine at Mount Sinai.

As a testament to his success, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

On a professional level, he is an active member of the American Medical Association, and the Phi Beta Kappa Society.

Some of his awards and publications include:

- COVID-19 and its Cardiovascular Complications: A Review of the Literature, Daniel Benhuri, B. Benhuri Medicine, Biology 2020
