

Denice Saunders, APRN, an Advanced Practice Registered Nurse with Gulfside Healthcare Services

Get to know Advanced Practice Registered Nurse, Denice Saunders, who serves patients in Land O' Lakes, Florida.

New York City, New York Jul 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - Specializing in critical care and hospice care, Denice is an advanced practice registered nurse affiliated with Gulfside Healthcare Services, working at their Corporate Resource Center in Land O' Lakes, Florida.

Gulfside Healthcare Services is a non-profit organization offering hospice, skilled home health care, and palliative care for serious, chronic, and late-stage illnesses.

After graduating with her nursing degree from Hillsborough Community College, Denice went on to complete her Master of Science in Nursing degree at South University.

Attributing her success to always treating others the same way she would want a family member to be treated, she is an active member of the Society of Critical Care Medicine.

An Advanced Practice Registered Nurse (APRN) is a nurse who has obtained at least a master's degree in nursing. APRNs may work across various healthcare settings, including hospitals, ambulatory clinics, or long-term care facilities. They provide medical support and preventative care to patients, along with additional responsibilities of coordinating patient care and using specialized knowledge to manage complex patient conditions. APRNs can diagnose and treat as well as order and interpret tests and prescribe medications.
