

DJ KRAZYTROUGH Introduces The Audience With A Brilliant Afrobeat-Laced Soundscape

Los Angeles, California Jul 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - The music industry is crowded with so many artists it's hard to find real talent who can actually impress the audience. Miami-based musician DJ KRAZYTROUGH is a rare gem who can make the audiences move their hips to his exclusive beats. He is well known for combining different types of rhythmic elements and producing a hypnotic resonance that penetrates the hearts of the listeners. He has gained quite a bit of recognition and popularity from the global audience, setting the benchmark high for his competitors.

The multitalented musician has his own signature style that separates him from the other contemporary musicians and DJs. He is always trying to go beyond his own limitations. In his pursuit to bring something original and unique to the audiences every time, he experiments with diverse musical genres and their components. DJ KRAZYTROUGH comes up with the best combinations after many trials and errors. His music is dominated by Afrobeat resonance mixed with rhythms from other genres.

Working independently, he has released various hit soundtracks on the top music streaming platforms. His latest single, 'Pa nomal' has gained over 153k plays on Spotify within a very short time. His other tracks 'GIMME LUV', 'Boogy (back shot)', 'Pull Up', 'Hello', and more are works of art in terms of their rhythmic structure and weave of the vocal performances. DJ KRAZYTROUGH has a great ability to read

his crowd accurately and provide them with exactly what they want. That way, he is able to generate the best reactions among his listeners.

Born in Haiti, DJ KRAZYTOUCH has been raised in Miami. He carries the best of both cultures within him and is always using them to craft his music. The versatility of his music makes him stand tall in the crowd, establishing a permanent place in the hearts of his followers. He has also created music videos for many of his songs, which are available on YouTube. He aspires to become Miami's finest and the world's greatest DJ with hard work and his genuine passion. Follow him on YouTube, Apple Music, Spotify, and Instagram for more.
