

## Eroica, a Turn-Based Mobile RPG Pre-Registration Phase Begins

**San Francisco, California Jul 22, 2022 ([Issuewire.com](https://www.issuewire.com))** - Publisher and mobile game developer FourThirtyThree Inc. (4:33) announced today that it has just opened pre-registration sign-ups for its latest turn-based role-playing game(RPG), Eroica. Pre-registration is now available on Google Play.

Players worldwide (except Korea, Japan, and Mainland China) can now complete the Pre-registration

with mobile devices through the Google Play Store.

Eroica is a turn-based 3D mobile RPG that offers over 40 unique characters. An exhilarating story unfolds as the player boards the train to Isekai (a different world).

Eroica is being developed by Funter Studio, a famous RPG development studio known for Epic Chronicle and Epic Hearts.

More than 40 beautifully illustrated characters are available in the game. Furthermore, there are various field adventure puzzles, episode content that unravels deep stories, turn-based battles, unique content that emphasizes strategy battles, and hero quests.

Pre-Registration is available on Google Play. Also, Pre-Registration is not available in regions that have been tested and launched (Hong Kong, Macau, Singapore, Indonesia, Philippines, Canada, Australia).
