

Felix Widlacki, DO, a Psychiatrist with Blue Wave Psychiatry

Get to know Psychiatrist Dr. Felix Widlacki, who serves patients in Tampa, Florida.

New York City, New York Jul 20, 2022 ([IssueWire.com](https://www.issuewire.com)) - A trusted psychiatrist, Dr. Widlacki works with patients at his private practice, Blue Wave Psychiatry, in Tampa, Florida. Passionate about mental health, it is his goal to partner with his patients to help them feel better and live their best life.

He has worked in multiple levels of care including office settings, inpatient psychiatric care, residential treatment for addiction & eating disorders, and professional sports consultant, and has been honored as an outstanding mental health educator.

Academically, Dr. Widlacki earned his Doctor of Osteopathic Medicine degree from Des Moines University College of Osteopathic Medicine in 2007. He then went on to complete his residency in psychiatry at Advocate Lutheran General Hospital in 2011.

In pursuit of clinical excellence, the doctor is board-certified in psychiatry by the American Osteopathic Board of Psychiatry and Neurology (AOBPN). The AOBPN is an organization that provides board certification to qualified Doctors of Osteopathic Medicine (D.O.) who specialize in disorders of the nervous system (neurologists) and to qualified Doctors of Osteopathic Medicine who specialize in the diagnosis and treatment of mental disorders (psychiatrists).

Moreover, he is board-certified in addiction medicine by the American Osteopathic Board of Preventive Medicine, which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine (D.O.) who specialize in aiding patients in the prevention of injury or disease (preventive medicine physicians).

Continuously advancing his efforts, Dr. Widlacki holds membership status with many professional organizations, including the American Osteopathic Association, the American Psychiatric Association, and the American Medical Association.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
