New York City, New York Jul 27, 2022 ([IssueWire.com](https://www.issuewire.com)) - A prominent pharmacist, Dr. Davey is currently working at CVS Pharmacy in Augusta, Georgia. With over 5 years of experience, she fell in love with the field when she started as a tech.

Pertaining to her educational pursuits, she graduated with her Doctor of Pharmacy degree from the South College School of Pharmacy in 2017. Furthermore, she is a member of the American Association of Pharmaceutical Scientists.

On a more personal note, Dr. Davey attributes her success to everybody she has worked with through the years who have helped her along the way.

Pharmacy is the health science that links medical science with chemistry and it is charged with the discovery, production, control, disposal, and safe and effective use of drugs. The practice of pharmacy requires excellent knowledge of drugs, their mechanism of action, side effects, interactions, mobility, and toxicity. Pharmacists, also known as chemists or druggists, are health professionals who specialize in the use of medicines, as they deal with the composition, effects, mechanism of action, and proper and effective use of drugs.
