

India-Visa-Online Caters to EveryNeed of Russian & Singapore Citizens While Issuing Indian Visas

New Delhi, Delhi Jul 18, 2022 ([IssueWire.com](https://www.issuewire.com)) - The culture and diversity of India are loved and appreciated by every nation in the world. Moreover, people from every corner of the world want to experience the taste of India. Therefore, veteran agency **India-visa-online** has opened its services for Russian and Singapore citizens that can let them obtain Indian visas from the agency's website. The **Indian visa for Russian citizens** is a mandatory requirement if any Russian national is planning to visit India on an urgent basis. Other reasons citing business, medical, or touristic purposes can also be covered while applying for an Indian visa. Since 2014, the Government of India has made the Indian e-visa available to citizens of many countries that share a strategic relationship with India.

As Russia and Singapore were the launch members of the India e-visa program, citizens from both countries can enjoy hassle-free entry to India. The visa application process brought by the agency is completely online. In this process, the citizens of Singapore and Russia will not need to visit the Indian embassy for any formalities, as they can receive their visas online. Be it for Russian or Singapore citizens, the process remains the same, as citizens of both countries will need to fill up the application form available on the agency's website and pay the Indian e-visa fee via debit card, credit card, or PayPal account. It usually takes between 3-4 days for the visa to get approved.

The **Indian visa for Singapore citizens** and Russian citizens can be expected within a few days. The delivery process of the visa takes place via email, as provided by an applicant while filling up the application form. Important points that foreign nationals of Russia and Singapore must know are that they cannot exceed a stay period of above 90 days in India, and they can use the e-visa to India for multiple entries. Another interesting factor is that the Indian visa is valid at 28 airports and 5 seaports while entering India.
