

John D. Ramirez, MD, a Cardiologist with USF Health

Get to know Cardiologist Dr. John D. Ramirez, who serves patients in Tampa, Florida.

New York City, New York Jul 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned cardiologist, Dr. Ramirez is affiliated with USF Health, working with patients at the Florida Cardiovascular Institute and St. Joseph's Hospital. He specializes in adult cardiology with a special interest in congestive heart failure, diabetes mellitus, and cardiovascular complications, hypertension, and preventive cardiology. In addition, he serves as an Assistant Professor of Medicine at the USF Morsani College of Medicine.

The team of expert cardiologists, physician assistants, cardiac surgeons, nurse practitioners, and other health care professionals at USF Health strive to deliver the most advanced clinical care and procedures available for all aspects of cardiovascular disease, from direct care to prevention to testing to treatment.

Back in the early days of his academic career, Dr. Ramirez earned his Bachelor of Science degree in Microbiology and Cell Science from the USF Morsani College of Medicine in 1977 and graduated with his medical degree from the Universidad Central del Caribe in 1981. He then went on to complete his internship, residency in internal medicine, and fellowship in cardiovascular disease at the Lincoln Medical Center.

On a professional level, he is an active member of the American College of Cardiology, the American Heart Association, the American Society of Echocardiography, the American Society of Nuclear Cardiology, and the Heart Failure Society of America.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).

Among his most notable achievements, Dr. Ramirez was recognized among the Top 10th Percentile in the nation by Press Ganey.

On a more personal note, he is fluent in both English and Spanish.
