

July Ingredient Specials From Ecuadorian Rainforest

Bulk Ingredients On Sale This Month

Ecuadorian Rainforest

Clifton, New Jersey Jul 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Ecuadorian Rainforest is pleased to announce its monthly special ingredients for the month of July. This month's specials include a variety of high-quality ingredients perfect for formulation into healthful and delicious products. These products will add nutritious flair to your product lineup.

One of the ingredients on sale is Oregon grape powder. Mahonia aquifolium, the Oregon grape or holly-leaved barberry, is a species of flowering plant in the family Berberidaceae, native to western North America. The main constituent of the Oregon grape is berberine. In fact, they are very tart, but they are rich in vitamin C.

The list of Ecuadorian Rainforest ingredients on sale this month includes acerola pulp powder, amla berry powder, ayahuasca powder, banana fruit powder, black tea powder, bromelain 1200 GDU, buckthorn sea powder, cat's claw powder, chondracanthus chamissoi powder, chuchuhuasi powder, espinheira leaf powder, gigartina powder, goldenberry fruit powder, gotu kola powder, gracilaria powder, guava leaf powder, guggul 1.5% powdered extract & many more. View the entire list on [intothearainforest.com](https://www.intothearainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
