* **Blu-ray Player Premium**

Being one of the flagship products on Leawo.org, [Blu-ray Player](#) is a completely free item to enjoy the protected disc and is a guarantee to enjoy any downloaded video/audio files smoothly on PC/Mac. With this free BD/video player, people can watch the content of discs across regions or countries. With the Premium version of Leawo Blu-ray Player, users are allowed to decrypt, rip, and convert DVD to video/audio files in 180+ formats for all media players and devices, with a DVD video editor and 3D creator inside. Currently, this upgraded version is on sale at \$69.96, instead of the regular price of \$99.95.

* **DVD Copy**

[Leawo DVD Copy](#) is capable of copying video file(s) upon protected disc to blank writable disc in 1:1 quality-lossless backup mode. Within this software, people are allowed to choose 3 different copy

modes that are Full Movie mode, Main Movie mode, and Custom Movie mode respectively. People could copy DVD movies entirely under “Full Movie”, do “Movie-only” backup in “Main Movie”, or choose desired titles for backup in “Custom Mode”. Both “Full Movie” and “Main Movie” modes could save source chapters in the output. For now, this program is available at the price of \$27.96.

* DVD Creator

With the help of [Leawo DVD Creator](#), users can easily convert and burn the video/picture/ISO image file to a DVD with customized settings. 40+ preset menu templates are available in this program and people can design the menu of the disc in a more lovely way. During the 2022 Summer Holiday Promo, everyone can get this tool at the price of \$27.96.
