New York City, New York Jul 26, 2022 (Issuewire.com) - A board-certified general surgeon, Dr. Wu is the Founder of Professional Wound Specialists in Las Vegas, Nevada. With a clinical focus on wound care, he specializes in surgical debridement, amputation, fistulectomy, skin graft, and wound closure. He also manages negative pressure wound pressure therapy, extracellular matrix placement, and basic wound treatment. His goal is to bring a higher standard of wound care treatment to the community.

Professional Wound Specialists provides comprehensive wound care services in Nevada, California, Utah, Idaho, and New Mexico. They offer a wide variety of services in the hospital, outpatient surgical center, long-term acute care, rehabilitation, and skilled nursing facilities. The broad spectrum of service locations enables them to follow and treat the patient in a continuous fashion preventing miscommunications between physicians, facilities, and nurses.

Originally from San Marino in Southern California, Dr. Wu went to college at the University of California, San Diego, and earned his Doctor of Osteopathic Medicine degree at the Western University of Health Sciences College of Osteopathic Medicine of the Pacific. He later completed his residency in general surgery at St. John's Hospital, and his fellowship in laparoscopic and bariatric surgery in Harrisburg, Pennsylvania.

An authority in his field, the doctor is board-certified in general surgery by the American Osteopathic Board of Surgery, which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the use of surgery to aid in the diagnosis and treatment of disease.

In order to keep himself on the cutting edge of wound care, he is an active member of the American Board of Wound Management, the American College of Osteopathic Surgeons, and the American Society for Metabolic and Bariatric Surgery. As the former president of the Las Vegas Chinese Medical Association, he is frequently involved in the community providing lectures and medical screenings.

As for his academic appointments, Dr. Wu lectures at Touro University, trains residents from Valley Hospital, and speaks for present/past over 9 pharmaceutical wound companies. He also lectures at conferences such as Superbones Superwounds, Desert Foot, and American Medical Integration, and has traveled internationally to lecture in Iceland and Taiwan.

General surgery is a surgical specialty that focuses on abdominal contents including the esophagus, stomach, small bowel, colon, liver, pancreas, gallbladder, appendix and bile ducts, and often the thyroid gland. A general surgeon performs a wide range of abdominal surgeries for many forms of intestinal and abdominal wall neoplasms, gallbladder disease, and gastric and pancreatic disease. They follow the patient through critical care and surgical recovery all the way to outpatient care.

Among his various accolades, Dr. Wu has been the recipient of the Patients' Choice Award (2018, 2014, 2013, 2011, 2010, 2008), Compassionate Doctor Recognition (2018, 2015, 2013, 2011, 2010), On-Time Doctor Award (2018, 2016, 2015, 2014), and Top 10 Doctor - City (2014).

On a more personal note, he has been married to his wife, Julie, since 2005. Together, they have 4 wonderful children and reside in South West Las Vegas.
