WOUND CARE PROFESSIONAL

Las Vegas, Nevada Jul 11, 2022 ([Issuewire.com](https://www.issuewire.com)) - Nancy Morgan Wound Care (NMWC), nmwoundcare.com announced today the launch of the journal, [Wound Care Professional](#). The publication serves as a digital resource for all members of the wound care team. Each issue features a round-up of the latest in research, new product technologies, legal aspects, current/upcoming events from NMWC, and downloadable, printable resources. "I am thrilled to partner with the fine folks from Mark Allen; they are truly the worldwide leaders in healthcare publishing," said Nancy Morgan, RN, BSN, MBA, WOC, CEO of NMWC.

With the common goal of improved patient outcomes, Wound Care Professional is available to all clinicians and industry representatives interested in the field of wound and skin management. "We believe in supporting all nurses, therapists, and physicians whether or not they are certified in wound care. My experience has taught me that practice makes perfect and reinforcement and is equally important to learning concepts, therefore we wanted the journal to be written in a way that provides automaticity for the reader," said Morgan.
