

Next League Executive Board Selects Monroe Institute Program for the coveted EB1A Green Card aka 'Einstein Visa'

Earn your coveted EB1A Green Card aka 'Einstein Visa' Card and Fulfill Your American Dream through Transformational Approach

Phoenix, Arizona Aug 5, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Next League Executive Board LLC, Phoenix Selects Monroe Institute Program Curriculum for Professionals Seeking the coveted EB1A Green Card aka 'Einstein Visa'

The Next League Executive Board LLC, Phoenix today announced the selection of the Monroe Institute Program Curriculum (<https://www.monroeinstitute.org>) as part of their training to help professionals become the best version of themselves and to secure the EB1A Green Card aka 'Einstein Visa' as prescribed by the US Government under INA 203(b)(1)(A) regulations.

The EB1A viz. Extraordinary Ability Green Card offers a special Lawful Permanent Residency (LPR) status for professionals who are particularly gifted in a certain industry. To be more specific, this kind of Green Card goes to those whose abilities are considered to be Extraordinary in the fields of athletics, education, science, art, and business. In order to get such a Green Card, one needs to establish that one's ability is that of extraordinary heights and that one has risen at the top of one's field of expertise. Anything from awards to high salaries in comparison to others – all of these can prove that one is worthy of receiving the highly coveted Green Card.

The Next League Executive Board LLC, Phoenix is on a Mission to help professionals become the best version of themselves and secure the EBA1 Visa by becoming Extraordinary in their own right.

It adopts the following three (3) phase approaches:

[?] Phase I: Profile Enhancement

[?] Phase II: Scaling Knowledge Base and becoming thought leader

[?] Phase III: Creating Outreach

The Monroe Institute, Virginia is the world's leading education center for the study of human consciousness, and conducts various Programs to meet its objectives especially the Gateway Experience. The Gateway uses the Hemi-Sync technique involving Problem Solving, Patterning etc. to meet the desired objectives.

Allyn Evans, MBA, Executive Director and President, Monroe Institute said about the selection – “We believe our programs, specifically as it relates to our flagship Gateway Voyage program, can be used to help individuals meet their personal and professional goals by enhancing their intuitive knowing and focus.”

Ranjeet S Mudholkar, CEO, Next League Executive Board LLC thanking the Monroe Institute said that – “Having a right mindset is vital for any success, and this collaboration has the potential to tap the Extraordinary Ability in every professional who joins our program and becoming expert in their own right so as to become capable to earn the EB1A Green Card. We are thankful to the Monroe Institute for creating this synergy which will help of millions of aspirants who are wanting to achieve their American Dream by becoming US Residents in an organized process which is based on their talents and expertise.”
