

“Now is the Time of the Great Tribulation”: Chairman Of Shincheonji Implores Global Pastors to Verify Testimony

On the 23rd of July, Chairman Lee of Shincheonji Church of Jesus emphasized that the prophecy of the book of Revelation has been fulfilled with actual reality. He also appealed again to check and believe this testimony of Revelation's fulfillment.

Chicago, Illinois Jul 28, 2022 ([IssueWire.com](https://www.issuewire.com)) - Chairman Lee, who gave a lecture on July 4th that summarized the entire seminar series of elementary, intermediate, and advanced levels, held another open seminar after about 20 days, to ask pastors again to confirm the reality of the Book of Revelation. Running of these consecutive online seminars is in response to rising interest in the testimony of the fulfillment of Revelation that Shincheonji Church of Jesus has been teaching. This is shown by the number of viewers of the online seminars released by Shincheonji exceeding 22 million, and the increasing requests to send materials of the word presented both domestically and abroad.

Chairman Man-hee Lee testifying to the prophecies of the Old and New Testaments and their fulfillment during the open seminar, stated “I want to testify of what I have seen and heard. If there is anything wrong with what I am testifying, please let me know at any time,” asking pastors and viewers to confirm the testimony presented proactively.

Chairman Lee then explained the betrayal of the chosen people, who made a covenant with God, starting from Adam, through Noah and Abraham, and until the first coming of Jesus, and the process of

fulfilling the new covenant with the second coming of Jesus. Matthew 24 and the entire book of Revelation that prophesy about the time of the Lord's second coming must also be fulfilled in order for us to believe in the Bible– declared by Chairman Lee who gave detailed testimony about the fulfilled reality chapter by chapter.

Chairman Lee emphasized, “This person is not talking about what he learned from anyone, nor is he talking about what he has learned through research. I say what I see with my eyes and what I hear with my ears.” Next, Chairman Lee, who testified in detail about the events of Revelation occurring chapter by chapter from Revelation 1, pointed out that God can only come to this earth when the kingdom of God is established. He reinforced the need to belong to the 1440,000, sealed with the word of God and recreated, and the multitude of white that comes out of the great tribulation and explained the process of God's salvation in the book of Revelation.

Addressing the pastors, he said, “If pastors have hope in heaven, they must make a correct judgment.” According to the Bible, according to God's will, from the person who received the book and has seen the fulfillment of this work at the scene, we must hear, to understand the reality of Revelation that has been fulfilled.”

During the seminar, Chairman Lee testified that “now is the time of the great tribulation”. Many Christians have wondered about the great tribulation that is promised in the Christian Bible, in the book of Revelation, and when it would occur. Chairman Lee explained concerning the great tribulation that it is expected to affect the whole world and asked, “isn't the present time like this? The coronavirus itself is covering the whole world” thus confirming what some Christians have speculated about the present times.

In a time when many Christians are renouncing their faith or leaving Christianity, Shincheonji Church of Jesus recorded an annual increase of more than 38,000 members in 2020 and 2021, when COVID-19 was rampant, and this year more than 100,000 have registered for its online lessons, making Chairman Lee's claim of another 100,000 graduation at the end of this year a possibility.

Despite the slander and persecution from other churches and some domestic authority figures in the past, Chairman Lee accredits the continual growth of Shincheonji to, “God being with us.” Therefore, Shincheonji Church of Jesus plans to provide more opportunities to confirm the proof of the actual reality of prophecies of the Bible that have been fulfilled.

Chairman Lee once again said, “This person has seen and heard himself, so he even knows what the faces of the betrayers of Revelation look like and what their names are. Even if I die while testifying, I have to testify to the word of God. I can't say that I cannot preach the word of God,” asking pastors, reporters, media, and listeners everywhere to confirm the word and believe.

Shincheonji Church of Jesus held a seminar series starting with the lectures on the entire book of Revelation last October, followed by the elementary course of ‘Testimony of parables of the secret of heaven and their true meanings’, and the intermediate course of ‘Testimony of the revelation of the Old and New Testaments by chapter’ until the beginning of this month.
