

## Renowned Mirror Supplier NEUTYPE CHIC Brings A Huge Collection Of Classy And Fashionable Mirrors

**Los Angeles, California Jul 19, 2022 ([Issuewire.com](https://www.issuewire.com))** - The world's leading independent suppliers of mirrors, Neutype Chic bring a brilliant collection of unique and customized mirrors to suit the needs and requirement of every home. The company is well-known for providing a wide range of fashionable and designer full-body mirrors that can transform a simple room into a work of art. The brand has now become the number one choice of 2 million households in North America.

Here are the brand's best-selling models:

- [RILEY](#) Oversized Arched-top Full Length Standing Mirror, which comes in various sizes. It is tall, elegant, and perfect for creating an illusion of more space.
- SABRINA and YVETTE are quite similar to Riley expressing the same amount of aristocracy and chic.
- [LOUIS](#) is another oversized full-length standing décor mirror that is loved by the customers. The frame is made of Aluminum and comes in black and gold color.
- The next best-selling one is the full-length wall-mounted mirror named [GWENHAEL](#), which comes with a retro wood frame. It is 58"x24" and can be placed in any room in the house.
- [BENSON](#) is another top-selling wall-mounted mirror traditional accent gold iron design on top.

The designers at the company are always coming up with the latest and trendiest designs.

- Their GILBERT exquisite irregular full-length floor mirror can alone brighten up the aesthetics of a room.
- JOYCE is one of the fastest-selling bathroom mirrors at Neutype Chic. It is an arched wall mirror that can give any bathroom a neat and elegant look. The frame is made out of Aluminum and comes in three colors: black, gold, and silver.
- Another top-selling bathroom mirror in their collection is [TULIP](#). It is a large rectangle full-body mirror with LED lights. The frameless mirror comes with a touch button and gives the bathroom a futuristic look. This mirror can be fitted in a bedroom as well.

Launched in 2018, the brand Neutype Chic has been providing a massive range of high-quality and luxurious mirrors in North America. They have warehouses spread across the US with a showroom in Ontario, CA. Find these mirrors at [Amazon](#) and <https://www.neutypechic.com/>.
