

Sea Fresh Features Hand-Selected, Pristine Fish and Seafood Flown Daily from New England and the Pacific Northwest

The intimate 16-seat restaurant is named one of the "14 Essential Seafood Restaurants in Las Vegas" by Thrillist.

Las Vegas, Nevada Jul 28, 2022 ([Issuewire.com](https://www.issuewire.com)) - Chef Jimmy Li and Joe Muscaglione of the very successful Shanghai Taste have unveiled their highly anticipated [Sea Fresh Coastal Seafood Bar](#) in the vibrant and ever-growing Chinatown, one of the hottest new destinations for seafood lovers in Las Vegas. The intimate 16-seat restaurant nestled in Commerce Corner is the team's latest concept succeeding Li's award-winning Niu-Gu Noodle House.

The cozy restaurant, named one of the "14 Essential Seafood Restaurants in Las Vegas" by Thrillist, delivers the freshest seafood with daily air shipments from three coasts. The u-shaped bar design displays traditional seafood on ice, such as shrimp, lobster, green mussels, and clams, in addition to hot menu items, house-fried chicken, traditional clam chowder, seafood udon, and Sicilian-inspired seafood focaccia. The petite menu includes the new flavors of sweet diver sea scallops, succulent coral grouper, delicate and rich-flavored abalone, and hard-to-find indulgences like toothsome black cod.

"It's exciting to pick up live fish and seafood daily that is caught just hours before being shipped to us before we open for the evening," said Chef Li, "It's an honor to cook with such pristine and fresh seafood."

Chef Li has developed a loyal following from previous Taiwanese and Shanghainese eateries Three Villages, 1900 Asian Cuisine, and the aforementioned beloved Niu Gu helping Sea Fresh Coastal Seafood Bar quickly become known as one of the best coastal seafood bars in the city.

"We are very excited to add to the tremendous culinary talents in Las Vegas Chinatown," stated Joe Muscaglione. Every day gets better and better with more wonderful restaurants opening."
