

SIGMAPAC1914 Endorses Sydney Kamlager CA-37

Philadelphia, Pennsylvania Jul 21, 2022 ([IssueWire.com](https://www.IssueWire.com)) - On behalf of SigmaPAC1914, Inc., we strongly support and endorse Sydney Kamlager for California's Congressional District 37, United States Congress.

The mission of SigmaPAC1914 is to support candidates who are strategically and intentionally focused on solutions to complex public policy. Congress needs strong voices who will step up to address the issues of our time, such as enhanced gun control/gun rights legislation, improving public education, expanding economic development opportunities for African Americans and communities of color (or particularly historically disadvantaged communities), promoting equality for all, promoting healthcare, improved public transportation, and helping to provide hope for an American dream where all people are on a level playing field.

It is under this capacity that we write to express our support for Sydney Kamlager as our nominee to represent the State of California's 37th Congressional District in the United States Congress. Sydney Kamlager is a proud member of Zeta Phi Beta Sorority Inc, a sister sorority of Phi Beta Sigma Fraternity, Inc. This announcement is being made during the week of the Zeta Phi Beta National Boule and Phi Beta Sigma Summer Strategy Session in Philadelphia, PA.

We applaud the intended work Sydney Kamlager plans to address during her tenure as a United States Congressional Representative. We believe she will lead in the areas of Health Care, Education, Civil Rights, Agriculture, Criminal Justice Reform, and Economic Equity. It is for these reasons that we are pleased to endorse Sydney Kamlager as a United States Congressional Nominee. If you have any questions or concerns, please do not hesitate to contact us.
