

Small Business Market to Host Back-to-School Donation Drive Benefiting Triangle Elementary

The market will feature local vendors, food and drinks, and attendees can enter to win a free massage or facial with a back-to-school donation.

Eustis, Florida Jul 21, 2022 (Issuewire.com) - [Essential Therapies Spa](#) in Mount Dora is partnering with Whimsy Markets to host three community markets. [Whimsy Market](#) showcases local small businesses and vendors throughout Lake County.

The market will be held on Sunday, August 7 from 10 am-2 pm at Essential Therapies, 1518 N. Donnelly Street, Mount Dora. Attendees that bring a back-to-school item to donate will receive an entry to win a free specialty massage or facial from Essential Therapies Spa. The items collected will benefit [Triangle Elementary](#) in Mount Dora. The items that are most in need this year are:

- Crayons and markers
- Paper
- Scissors
- Backpacks

“We love giving back to the community,” said Elaina Eller, Essential Therapies’s spa director. “We want to encourage as many donations as possible so that’s why we will give away a specialty massage or facial with your back-to-school donations. This year’s donations will benefit Triangle Elementary students, and we can’t wait to deliver them.”

Essential Therapies has donated numerous times to the community—it previously gave a full spa day to a local deserving teacher, donates regularly to the Mount Dora Friends of the Environment and its Watering Brigade, donates spa treatments to cancer patients, and donates spa treatments to those who are in need of a day of relaxation. If you know someone you want to nominate for a spa treatment, you can enter their information [here](#).
