

Smile Care Dental Clinic Is Now Accepting Patients Without Any COVID Restrictions

Bengaluru, Karnataka Jul 22, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Malathi V, the owner of [Smile Care Dental Clinic](#), understands the many reasons why people hesitate to see a dentist. The practice offers a comprehensive range of services from braces and dentures to implants, fillings, and extractions to end pain and give individuals the beautiful smile they deserve.

The dental practice provides an extensive array of services for patients of every age, from children

receiving their first dental check-up to those that need dental implants or dentures. A dental crisis can occur at any time and individuals have access to emergency dentists. All patients are now welcome to visit the dentist without any COVID restrictions.

Oral care is as important as any other aspect of healthcare; if you ignore oral care it will lead to not just toothache but result in tooth decay and subsequently tooth removal and the need for root canal and dental implants.

Smile Care Dental Clinic is your one-stop dental clinic for all sorts of dental procedures. Damaged and improperly formed teeth can be a source of embarrassment and even affect career advancement. Missing teeth do more than mar a person's appearance. They can affect the bone structure of the mouth. For those that require more intensive care, Smile Care Dental Clinic performs dental restorations, root canals, and dental implants.

The [dental clinic in Indiranagar](#) is headed by Dr. Malathi V. and she is ably supported by renowned visiting and in-house [dentists in Indiranagar](#) like Dr. Ram Mohan Reddy who is an orthodontist, Dr. Kishan Panicker who is an oral and Maxillo Facial Surgeon and Dr. Prasad who is a periodontist. The entire team at Smile Care Dental Clinic is there to provide patients with the best in oral care in the city of Bangalore.

If you are planning to visit the clinic at any time it is advised that you take a prior appointment so as to not meet with the disappointment of not being able to consult the specific doctor about your oral issues.
