Pretti Eimage, pronounced as Pretty Image was formed by two talented sisters from Tampa, Florida namely Jaleesah “Mizz Attitude” Riley better known as Queen Jay, and Zayah “Baby Girl” Riley. Entering the musical scene in 2016, this duo offered listeners a powerful amalgamation of hip-hop and R&B through their musical works. Their sense of music, talent, skills, and personas did not fail to impress the global listeners. Some of their previous singles like, ‘Earthquake’, ‘Walk Thru’, ‘I Do This’, ‘Kong’, etc are examples of these duo sisters’ musical progress and consistency. The albums like ‘Legacy’, ‘The Playlist’, etc are some of the greatest embodiments of their musical arsenal. They have earned a lot of awards together such as the 2018 Independent Music Award, 2018 Underground Music Award, 2020 Akademia Music Award, Best Album of the Year 2019, and many others.

However, in 2021, the duo got disbanded and Zayah “Baby Girl” Riley started her musical career as a solo venture. She has grown past her ‘Baby Girl’ persona and now she has claimed the moniker of the band and pursued her musical career as the single artist with the namesake. The latest track ‘**First Place**’ is the solo debut by the singer and the first single released after the duo’s disbanding.
