This music marketing agency is well revered for boosting the musical careers of independent artists on Spotify. As the platform is becoming more crowded and competitive with a huge number of new musicians and their music; sometimes it gets very daunting for the rising music artists to stand out among the horde. Considering their need for promotion, this agency has revamped its services and offers more benefits within an affordable budget. Anyone belonging to the music industry can avail of the services whether a singer, rapper, DJ, composer, band, or even a record label.

The [Spotify music promotion service](#) offered by the agency is categorized into four different sections with different features, benefits, and pricing systems. The diversified packages do not only fit in everyone's budget but fulfill the requirements as well. Each of the promotional campaigns keeps running until the artist gets the desired outcome. It company shares 100% authenticity and transparency with the clients as it sends a detailed analytical report after each promotion. The exposure and listener base provide by this agency is completely organic and the impact of the promotion stays longer. Each of the four packages provided by this agency is comprised of the three most effective sides of Spotify music promotion, namely playlist submission, content marketing, and social media marketing.

Starting with the Spotify Marketing Package, this pack allows to add only a single track for promotion, and **the track is further added to over 60+ curated playlists**. The music artists are able to gain **over 3000 to 3500 listeners from this promotional package**. It also provides ample social media buzz through the platforms like Facebook, Twitter, Pinterest, Instagram, and others. **This pack costs only \$39 and can be availed of as a weekly recurring option. Purchasing the package on a weekly subscription basis will offer an additional 15% discount on the cost.** Similarly, Spotify Promotion Pack can also be purchased as a weekly recurring option that costs only \$69. This package allows adding two tracks for promotion. In this case, other than **playlist submission of over 90+ curated playlists and social media buzz**; the artists can also enjoy the benefits of a paid press release distribution. **This package offers more than 7000-7500 organic listeners.**

Next comes the Spotify Marketing Pro Pack, which costs only \$105 and allows to add a total of 3 tracks which are added to over 120+ curated Spotify Playlists. The music artists are able to gain a total of **10,000-11,000 listeners from the package along with huge web traffic and online engagement.** This time, the users will be getting a Music blog distribution along with paid press release distribution. Last but not the least, the **Spotify Promotion Pro Pack allows to add a total of four tracks which are further added to over 180+ curated Spotify Playlists.** The music artists can gain more than **14,000-15,000 listeners along with a huge number of followers on social media websites.** For content marketing, the artists will get a music blog and artist interview along with paid Pr distribution. All of the packages offered by this agency are capable of paving a smooth growth of the music career of emerging Spotify music artists.
