

The Wizard of Oz Museum | Best Orlando Attractions

Cocoa Beach, Florida Jul 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - America's most well-known fairy tale, **The Wizard of Oz**, has captivated crowds (young and old) for over a hundred years. The wonder of Oz is now being experienced in Florida. In the fall of 2021, a posh new museum in Cape Canaveral opened its doors, allowing visitors to engage themselves in the world of THE WIZARD OF OZ museum through an exhilarating celebration of the novel's everlasting appeal. The location is now well-known among visitors as one of the [Orlando Florida attractions](#) you cannot miss.

Words from the Management, "The WIZARD OF OZ Museum Cape Canaveral is situated 20 minutes from the Space Center, 5 minutes from the Port, four blocks from the ocean, 45 minutes from the Orlando International Airport, and 1 hour from Orlando. Since Oz is a must-see destination for tourists and is for everyone, the WIZARD OF OZ Museum is one of Florida's most affordable family beach experiences. So, go "beyond the rainbow" in quest of both old and new memories while harnessing the magic of THE WIZARD OF OZ Museum to transport yourself back to your youth. Joy and inventiveness are waiting at "no place like home."

Words from the Marketing Team , "The Wizard of Oz Museum is Port Canaveral's biggest attraction. In the 20,000-square-foot venue, more than 30 laser projectors use the most recent technology to embed images in the floor and walls, transporting visitors into the first American fairy tale. Immersive Van Gogh is a companion exhibit to Immersive Wizard of Oz, which is currently on display at the museum. One indoor activity that you can do no matter the weather is visiting a museum. As they travel down the Yellow Brick Road with Dorothy and her devoted companion, visitors can learn about the origins of the Wizard of Oz from the bestselling children's book series created by renowned author L. Frank Baum to the renowned Judy Garland-starring MGM film to contemporary pop culture phenomena like THE WIZ, WICKED, and beyond."

About Wizard of Oz Museum
