

Timothy A. Coakley, MD, FAAEM, FACEP, CDR, MC, USN, DMO (retired)

Get to know Emergency Physician Dr. Timothy A. Coakley, who serves patients in Norfolk, Virginia.

New York City, New York Jul 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - A committed emergency physician, Dr.

Coakley is the CEO of Tactical Emergency Consultants International, Inc., providing consulting services for several companies, both foreign & domestic, developing innovative technologies in emergency medicine. He also provides clinical emergency services as a Locum Tenens for several facilities, including Marion General Hospital, Indiana University Health System Hospitals, and Presbyterian Hospital New Mexico.

In regards to his educational background, he graduated from Naval Hospital Corpsman School in 1982. He obtained his Bachelor of Science degree in Biology from Northern Illinois University in 1990 and earned his medical degree from the Finch University of Health Sciences, Chicago Medical School in 1995. He then went on to complete his internship at Naval Hospital Camp Pendleton in 1996 and completed his training in undersea and hyperbaric medicine at the Naval Undersea Medical Institute in 1997. Finally, he completed his residency in emergency medicine at Naval Medical Center Portsmouth in 2002.

Distinguished as a Fellow of the American Academy of Emergency Medicine (FAAEM) and a Fellow of the American College of Emergency Physicians (FACEP), the doctor is board-certified in emergency medicine by the American Board of Emergency Medicine (ABEM). The ABEM is one of 24 medical specialty certification boards recognized by the American Board of Medical Specialties.

Moreover, Dr. Coakley is certified in Advanced Cardiac Life Support (ACLS), Advanced Trauma Life Support (ATLS), Neonatal Advanced Life Support (NALS), and Perinatal Advanced Life Support (PALS), and Basic Life Support (BLS). He is also an active member of the Society of Academic Emergency Medicine.

Among his other roles, he serves as a Consultant to The Technical Cooperation Program (TTCP); Under Secretary of Defense (Acquisition, Logistics, & Technology); Office of Naval Research; Naval Research Lab; Department of Defense Technical Support Working Group (TSWG); Defense Advanced Research Projects Agency; and US Marine Corps Systems Command.

As for his academic appointments, Dr. Coakley is an Associate Professor of Emergency Medicine at the Virginia College of Osteopathic Medicine and the Alabama College of Osteopathic Medicine.

In the past, he served as a Corporate Officer at International Tactical Medical Solutions, Inc. (2011-2015); System Medical Director for the Bon Secours Hospital System (2011-2012); Associate Professor at Virginia Polytechnic Institute and State University (2011-2012); Department Chairman of Emergency Medicine at Lewis-Gale Hospital (2011-2012); Men's Wellness Centers (August 2020-December 2020); and was a Locum Tenens physician at Southeast Health Medical Center (2019-2020), Marian General Hospital (February 2020), Russel Medical (2018-2020), Centra Lynchburg General Hospital (2018-2019), Southeast Health Medical Center (2017-2018), Health East Woodwinds Health Campus (2016-2017), Southeastern Alabama Medical Center (2016), UPMC Altoona (2014-2016), Great River Medical Center (2015-2016), Mercy Medical Center (2010-2011), and St. Mary's Medical Center (2006-2007).

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.

Among his various accolades, Dr. Coakley was inducted into the Leading Physicians of the World in Emergency Medicine (2016), knighted into the Order of St. Constantine for Military Medical Service

(2016), honoree for research in traumatic brain injury at the 2009 Country United Gala, and Outstanding Family Medicine Clerk and Outstanding Class Service Award (1995). As for his United States Navy Awards, he was the recipient of the Navy and Marine Corps Meritorious Service Medal, Navy and Marine Corps Commendation Medal (4 awards), Navy and Marine Corps Achievement Medal, Presidential Unit Citation (Operation Iraqi Freedom), Combat Action Ribbon (Operation Iraqi Freedom), Global War on Terrorism Expeditionary Ribbon with EGA, Global War on Terrorism Service Ribbon, Coast Guard Meritorious Team Award, Navy Unit Commendation Medal, Humanitarian Service Medal, Navy Meritorious Unit Citation (3 awards), Navy Enlisted Good Conduct Medal for 4 years meritorious service, Global War on Terrorism Expeditionary Medal, Navy Rifle Expert Qualification Medal, Naval Sea Service Ribbon, Fleet Marine Force Service Ribbon with Eagle Globe & Anchor device, Navy Pistol Sharp Shooter Qualification Ribbon, National Defense Service Medal (2 awards), Flag Letter of Commendation (3 awards), Letter of Appreciation from Surgeon General of the Canadian Defense Forces, Letter of Appreciation from Brigadier General Schoomaker, Commanding General US Army Medical Research & Materiel Command, Letter of Appreciation from ADM Cohen, Chief of Naval Research, for participation on the Human Systems panel discussion at the 2005 Navy-Industry Partnership Conference, Letter of Appreciation from the Naval Special Warfare Development Group, and Letter of Appreciation from US Embassy Kuwait for service during OIF (2 awards).
