The expert cleaners at the company make sure that not only there are no stains left but the carpets are free of all types of bacteria as well. Regularly cleaning the carpets will make them last longer and save the homeowners a lot of money on purchasing a new one. The company is equipped to remove all types of stains, dust, mites, allergens, and bacteria from the carpets in residential homes. They offer to clean the carpets at highly affordable prices.

The carpets of commercial and industrial areas go through a lot. A lot of people walk on them every day so they get dirty very often. Organizations can hire the services of Brenton Carpet Care which specializes in heavy-duty carpet cleaning in commercial properties. They offer both wet and dry carpet cleaning services for clients to choose from. The carpet cleaning contractors at the company offer a much lower quote for the job compared to other cleaning companies in the area. The clients must also add commercial sanitizing services for their carpets to ensure the safety of all the people working there. Hotels, restaurants, office buildings, and more can be provided flawless carpet cleaning services at the most affordable rates.

Effective and efficient upholstery cleaning services are also available at reasonable prices at Brenton Carpet Care. It's not just the carpets that get dirty in homes. Every home in Nottingham and the surrounding areas has a lot of upholstery furniture that gets stained often. The trusted cleaning company offers quality upholstery cleaning services, cleaning the most stubborn stains on the sofa and chairs. The expert cleaners at the company offer a hot water cleaning system to clean the furniture at a very low price range. They offer quick and flawless cleaning that is absolutely worth the money. The company offers car upholstery services as well for cars and 4x4 vehicles in and around Nottingham. They use a hot water extraction cleaning system to clean the cars of the clients. They provide industrial upholstery cleaning services as well. Their innovative cleaning technology lifts the dirt to the surface of the furniture so it can be efficiently removed. They use eco-friendly products for cleaning if it is requested by the customers. Their green carpet cleaning service is a sustainable way of offering carpet cleaning service.

Flood cleanup services are also available at Brenton Carpet Care. Floods bring a lot of damage to the homes in the Nottingham area. Carpets get wet due to the flood. The moisture collected from the flood makes the carpets a breeding ground for mould and mildew. The carpet cleaning company offers excellent flood clean-up services to homes and commercial places in Nottingham. They use the highly advanced dry fusion technology to clean the carpets of home and industrial areas without leaving any stains, dirt, and bacteria. With their fibreloc carpet protection service, they are able to not only clean the carpets but create a protector that shields the fibres from stains. The company even gives a bottle of highly effective stain remover for free.

Brenton Carpet Care is a Nottingham-based carpet cleaning company that has more than 30 years of experience in the carpet cleaning business.
