EXPO MICHIGAN'S 11TH ANNUAL HOLIDAY ENTREPRENEURS EXPO, SMALL BUSINESS FAIR

AND CRAFTERS MARKETPLACE TO BE HELD AT LAKESIDE MALL

*EXPO MICHIGAN promotes Michigan, people, products and businesses. These events provide an opportunity for everyone to exhibit in a community setting. These events support people with disabilities to sell hand-crafted items they make – Disability agencies exhibit free for their clients to exhibit.

The 11th annual EXPO MICHIGAN Marketplace, hosted by The Oakland County Business Association Inc of Michigan, is back for 2022 with more artists, crafters, entrepreneurs, vendors, and more fun things for people to see and do, including Michigan Superstar Talent Show. The event will be held inside a 30,000-square-foot store at Lakeside Shopping Center in Sterling Heights, MI.

As in previous years, this EXPO will feature handcrafted items by Michigan artisans from across the state – many with disabilities, local businesses, and more, including artists, authors, crafters, designers, direct sales, home based businesses, small businesses and services. Disability agencies exhibit free for their clients that make hand-crafted items. Admission is \$5 cash family or groups of up to five people.

EXPO MICHIGAN holiday marketplace local pop up shops is scheduled for November 25,26,27 and December 2,3,4 9,10,11 16,17,18 22,23,24. Fridays 3-7, Saturdays 11-7, Sundays 12-5.

This year's event will have over 100 exhibitors spaces every weekend, a Michigan Superstar talent show, and maybe a special visit from Santa Claus. 100 vendors wanted, every weekend. There are 30 front row spaces to set up your pop-up shop to exhibit "Black Friday" to Christmas.

"The two main goals of this annual event is to help all artisans and crafters sell their items and get exposure to the public and to offer people starting a new business or making products an opportunity to exhibit in a community setting," says Shirley Mall, Event Manager for EXPO Michigan. "These events provide a regular opportunity for everyone to exhibit or present a micro-enterprise business opportunity and it's a great opportunity for new businesses to get exposure"
