

VipLiveAlerts-Pro Extends Founding Member's Benefits

Boston, Massachusetts Jul 11, 2022 (Issuewire.com) - [VipLiveAlerts-Pro](#) announces a 1-Year extension of founding member's benefits! As of July 11, 2022, all current members and new members are eligible for cash benefits on individual referrals. Last year, The Stock Market's #1 Professional Trader's Group LLC retired the cash benefits to new members. However, with the current inflation in the United States and around the world we have decided to extend the benefits of being a member.

The Administrator of VipLiveAlerts-Pro states, "This is just another way for us to give back to the

community as we continue to power the wealth movement. While most companies are jacking up prices to deal with inflationary pressures, VipLiveAlerts-Pro.com is extending the founding member's cash benefits program.
