

Aglowid IT Solutions wins the “Emerging Company Of The Year” At the Gujarat Business Leader Of The Year Awards 2022.

Ahmedabad, Gujarat Aug 30, 2022 ([Issuewire.com](https://www.issuewire.com)) - Aglowid IT Solutions Pvt. Ltd (Ahmedabad, India) is an emerging leader in providing full-stack managed IT services. Their expertise lies in providing surface-level digital solutions for businesses of all scales and industries. Their efforts were recognized and applauded at the 20th Global Edition and 5th Indian Edition of Gujarat Business Leader Of The

Year Awards held at Vivanta by Taj – Ahmedabad Gujarat, when they were honored with the “Emerging Company of the Year Award”.

The Emerging Company of the Year Award acknowledges and appreciates an organization's contributions in its field through its innovative business practices and technology-driven initiatives.

Mr. Ronak Patel (CEO at Aglowid IT Solutions) received this honorable award for Aglowid IT Solutions from the celebrated Dr. Indira Parik (Ex-Dean and Prof IIMA, Founding President – of FLAME University). When receiving this award, he mentioned “It is an honor to receive this award and even more of an honor to share this platform with innovative leaders from Pan-India. This award is the result of all the hard-working employees of Aglowid IT Solutions.”

Aglowid IT Solutions is raising to the ranks of the top fully managed IT service companies as a reliable and trustworthy partner to help enterprises digitize and modernize their business operations. With their solution-driven approach, they have managed to help several organizations from different industries meet their goals and requirements. The digital transformation process is seamlessly navigated by expert talents at Aglowid IT Solutions. Their range of services is aimed toward providing top-tier managers with the liberty of working on business strategies and goals without worrying about technical and labor-intensive work. With help of future-ready technologies like AI/ML, IoT, Blockchain, AR/VR, and others, Aglowid is capable of automating your business processes to quite an extent.

Adding to what Mr. Ronak Patel had to say, Mr. Saurabh Barot (CTO at Aglowid IT Solutions) mentioned, “It is truly an honor to receive this award and recognition for all the dedicated hours we have been putting behind Aglowid IT Solutions. The very nature of innovation requires proper integration of people and technology to drive projects to their success. Our company has focused on building futuristic solutions that give a competitive edge to our esteemed clients. We're looking forward to empowering more businesses with next-gen technologies like AI, AR/VR, IoT, and Blockchain with a digital-first strategy as our primary focus”.
