

Alfredo Cartaya, MD, a Neonatologist with HCA Florida Oak Hill Hospital

Get to know Neonatologist Dr. Alfredo Cartaya, who serves patients in Brooksville, Florida.

New York City, New York Aug 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - A devoted neonatologist, Dr. Cartaya is the Medical Director of Neonatology at HCA Florida Oak Hill Hospital in Brooksville.

HCA Florida Oak Hill Hospital is a full-service hospital providing a range of medical services, including cardiology, orthopedics, and a 24/7 ER, in Brooksville. Their experienced care teams focus on listening

to patients and caring for them like family. They work to understand patients' needs and provide a personalized care experience.

Throughout his academic career, Dr. Cartaya received his medical degree from the University of Oklahoma College of Medicine in 1970 and completed his residency in pediatrics at the same educational venue in 1972. Finally, he completed his fellowship in neonatal-perinatal medicine at the University of Florida College of Medicine in 1975.

Neonatology is a subspecialty of pediatrics that consists of the medical care of newborn infants, especially ill or premature newborns. It is a hospital-based specialty and is usually practiced in neonatal intensive care units. Neonatologists generally diagnose and treat newborns with conditions such as breathing disorders, infections, and birth defects, as well as coordinating care and medically manage newborns born prematurely, critically ill, or in need of surgery.
