The wave of your hair is the new music video by Alin Bagheri (singer and Director)

Dubai, United Arab Emirates Aug 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - Following the release of "Bazandeh" in August 2020, Persian pop star Alin Bagheri is back with his new musical composition (**The Wave of Your Hair**). He first posted the long-awaited music video on his Instagram page in June 2022.

"The Wave of Your Hair" is a piece of touching music about a gentleman's affectionate, subtle and

delicate love that resonated with all listeners.

Alin didn't like to sing songs about "love" before. This gorgeous counterattack has entered the public's field of vision with a brand-new style, precisely because of "love". He found the love of his life.

In the music video, a female model from China (Olivia) perfectly interprets the beauty of love, which is also the "crystallization" of her love after "three years of long-distance relationship" with Alin.

Alin said, "when I saw her in my music video, I felt real happiness and spiritual sublimation, it was a new feeling that I had never felt before, durable and gentle.

As we all know, Alin is one of the most famous Persian music video directors.
