

Analytix Solutions conferred with 2 awards: Best Place to Work & Best Employer Brand Award

Analytix was also declared the winner of the 'Best Place to Work' award at the 9th edition of BPO Innovation Summit & Awards 2022 in Hyderabad

Ahmedabad, Gujarat Aug 30, 2022 ([Issuewire.com](https://www.issuewire.com)) - Analytix Business Solutions, a leading knowledge processing outsourcing provider, has won two prestigious awards: Best Place to Work and Best Employer Brand Award, as a recognition of its commitment to the growth and welfare of its workforce. Analytix LLC is headquartered in Woburn, Massachusetts, and Indian Operations are managed in Ahmedabad, Gujarat. Analytix has a presence in Boston, Florida, and Texas in the US, and Ahmedabad and Vadodara in India.

Analytix bagged Gujarat State's “**Best Employer Brand Awards 2022**” which was hosted by World HRD Congress and partnered with CHRO Asia. The 17th edition of this prestigious award collates Individuals and Organizations from various sectors, evaluates their work under distinct categories, and awards their merits. This was held in Taj Vivanta, Ahmedabad. The award organizers evaluated Analytix on the following criteria :

Organizational strategies to support business, Organizational focus to be future ready by cultivating competencies & HR Strategies supporting its vision.

Mr. Rajiv Bhatia, President & Country Head & Mr. Mayank Dabhi – Vice President, IT Services received this award on behalf of the organization.

Analytix was also declared the winner of the ‘**Best Place to Work**’ award at the **9th edition of BPO Innovation Summit & Awards 2022 in Hyderabad**. The award was accepted on behalf of Analytix by Allan Bell, Vice President -Data Management Services, and Jeet Doshi, GM- Business Development. These 9th Edition summits and awards aimed to throw light on how flexible outsourcing partners have been with their clients when conditions change rapidly and how far along the digital journey they have ventured. It discussed the rise of the Digital Workforce and reskilling them with Next-Gen Technology. Analytix submitted a case study with evidence for its various innovative strategies starting from its State-of-the-art infrastructure and High Potential Manager program to various pieces of training conducted for its employees.

“We are thrilled to have been awarded the Best Place to Work and Best Employer awards. The twin awards are an apt recognition of our commitment to the growth and development of our employees and the exemplary HR practices and strategies we have implemented. We are committed to becoming the employer of choice, attracting the best talent to cultivate competencies for the future, and building a future-ready organization,” said Mr. Bhatia. Analytix has recently signed an MOU with the Government of Gujarat to generate jobs committing investments worth Rs. 250 crores over the next 5 years generating around 2000 jobs in Gujarat in the IT/ITES sector. Analytix aims to expand its team size from the existing 700 to 2,000 in five years.

Analytix Business Solutions is a leading KPO that caters primarily to small and medium businesses in the US. It provides diverse services such as accounting, healthcare, audio-visual, data management, IT products, etc.
