

AssertAI- The Most Promising AI Startup in 2022

Mumbai, Maharashtra Aug 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Leadership Excellence Award 2022 judging panel honoured Assert AI with the 'Most Promising AI Start-up 2022' award for its significant contribution to the field of Artificial Intelligence. The Assert AI team was applauded for its contribution to enterprises that demonstrate consistent high quality and innovation, strong client value propositions, demonstrable innovation, and proof of business impact.

The event was organized by WBR Corp, a leading brand consulting company in India at The Lalit in Mumbai on July 20, 2022. The winners were felicitated by Dia Mirza, a Leading Bollywood actress & Environment Activist who was the chief guest. The event was organized to appreciate the contribution of organizations and business leaders toward innovation & achievements in specific fields.

"This is a very dear moment for Assert AI," said Nitin Jain Co-founder of Assert AI. He added, "We had worked really hard for this. It's our honour to be given accolade & award for the recognition of our work in the [computer vision technology](#) domain".

Assert AI has continuously proved itself by the quality of its AI-based video analytics tools. Its machine learning-based solutions have significantly contributed to improving the way its clients do business. No wonder, how the small bootstrapped start-up quickly bagged some of the biggest companies in India and abroad as their clients. Assert AI team is pleased that it has been recognized as the best solution in

the Artificial Intelligence domain.

"Offering enterprises with the best AI solutions & subsequently the path towards this award was not easy. I'm truly obliged for this great honour & recognition given by the management & the Board. We're proud and humbled at the same time ", said Job Philip, Co-founder.

"I'm pleased to see start-ups with great innovative ideas and advanced technologies in their respective fields. It's paving a way for a new business world with technology transforming the existing one", said Dia Mirza Chief Guest.

"We're proud we recognized so much talent under one roof and organized such an event. Congratulations to all the winners for bagging the award. So much innovation & new technologies is what is making our business world escalate on to new levels", said WBR Corp Event Organizer.
