

Canada-Visa-Online Is Now Open For Croatian & Slovak Citizens With Its Unparalleled Services

Vancouver, British Columbia Aug 17, 2022 (IssueWire.com) - Canadian eTA approval services brought by renowned agency **Canada-visa-online** have been growing popular in every corner of the world. Now, with the help of the agency, Croatian and Slovak citizens can also enjoy the benefits of applying for their eTA to Canada smoothly and hassle-free. Citizens from Croatia can simply fill up the application form available on the agency's website, which can take up merely five minutes. Willing applicants need to submit certain details like email address, contact details, passport information, and basic information like name, surname, etc. After completing filling up the form, Croatian nationals must pay the fees for the Canadian eTA via a debit card, a credit card, or even by a PayPal account. The details regarding the **Canada visa for Croatian citizens** can be found via this link <https://www.canada-visa-online.org/canada-visa-eligibility/croatian-citizens>.

The process for applying for a **Canadian visa for Slovak citizens** will remain the same just as the Croatian citizens. Potential applicants from both countries must be aware of the fact that they must be over 18 years of age to be eligible for the Canada eTA. Each applicant must be in good health and should not have a criminal history as well. For further information regarding the eligibility criteria, Slovak citizens may consider visiting <https://www.canada-visa-online.org/canada-visa-eligibility/slovak-citizens/>. After successful and encrypted payment of the fees for the Canadian eTA, the approval process commences. After successful approval, the Canadian visas for both Croatian and Slovak citizens will be delivered to their provided email addresses.

The eTA Canada visa is not optional but a mandatory document required while visiting Canada. With a validity of five years, the Canada eTA allows Croatian and Slovak citizens permission to visit Canada multiple times during the valid period. However, visitors must note the fact that they shall not exceed their stay period of over 90 days at once. Another important fact is that travelers need to ensure that the validity of the passport must remain at least three months past the expected departure date for the best chances of approval. For more information, visit the agency's website.
