CleverGet Added New Modules and Optimized Workflow in Version 6.0.0.0 for Windows

CleverGet for Windows was updated to version 6.0.0.0, in which two new downloading modules for Paramount+ and Hulu were added and interface was optimized by beautifying display effect.

Shenzhen, Guangdong Aug 1, 2022 (Issuewire.com) - CleverGet, the world's leading online source downloading solution provider trusted by millions of worldwide customers, introduced Paramount Plus Downloader and Hulu Downloader in new updates for CleverGet for Windows (version 6.0.0.0). Besides, the user interface was optimized, and it gave more options for customers in choosing display effects. Some potential and reported bugs were fixed and revised as well. Read on for detailed information.

Know more about CleverGet Windows Version 6.0.0.0

The CleverGet application offers the completest solution to help us download any movies from popular streaming sites. Now, this inclusive software got two new members and is updated:

- Added ParamountPlusDownloader. The movies, TV shows, and other videos on Paramount+ will be removed if the licensing agreement is due and not renewed. Now CleverGet Paramount Plus Downloader enables you to download online videos, movies, and TV shows on it freely to get rid of the trouble of missing them.
- Added Hulu Downloader. Some Basic Plan subscribers of the Hulu streaming website will be interrupted by bothering ads while watching videos. Download Hulu with CleverGet Hulu Downloader to enjoy them without interruptions.
- Optimized program startup prompt window with detailed version comparison and a custom option.
- Optimized program Activation Center window to display registration info in either Thunmbnial or List.
- Fixed YouTube video downloading issues like downloaded YouTube videos being lost.

Benefits and Advantages of CleverGet

There are a bulk of similar products in the market, but the benefits and advantages of CleverGet are unparalleled:

- Support over 1000 streaming sites like YouTube, Facebook, etc.
- Multiple downloading modules for free and paid service.
- Download lossless 1080P and even 8K UHD video.
- The built-in browser makes it easier to find the target videos.
- Equipped with rouble-free M3U8 link grabber.

Pricing plans and availability of CleverGet

CleverGet for Windows version 6.0.0.0 is now available on its official website. Users can download the free trial version to have a try and 3 videos are downloaded without time limitation during the trial period. Similar to other streaming video downloaders in the suite, 2 newly-released downloaders mentioned above are also available separately, with annual and lifetime subscriptions. What's more, here comes the good news that both one-year and lifetime licenses are offered a 40% discount now on the website. What's better, CleverGet Video Downloader for 1000+ sites is now sold at 70% off in bundle during Summer Holiday Giveaway & Specials.
