

Discover August Ingredient Specials From Ecuadorian Rainforest

Bulk Ingredients On Sale This Month

Ecuadorian Rainforest

Clifton, New Jersey Aug 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Ecuadorian Rainforest is proud to offer a variety of unique, high-quality ingredients this August. This month we have the perfect ingredients to make your products stand out from the competition! With this month's specials, you'll be able to create a variety of amazing products that will enrich your product line with nutritious flair.

One of the ingredients on sale is lemongrass powder. Lemongrass is a herb with a lemony scent. The culinary herb is produced from the stalk of the lemongrass plant (*Cymbopogon citratus*). This plant grows in many tropical climates, most notably in Southeast Asia. Lemongrass extract is also used to provide a fresh scent in many soaps, candles, disinfectants, and insect repellants.

The list of Ecuadorian Rainforest ingredients on sale this month includes acai fruit powder, apple juice powder, barberry bark powder, bilberry fruit powder, black beans (cooked) powder, black tea powder, cantaloupe fruit powder, cat's claw 1% powdered extract, chicory powder, chuchuhuasi powder, date fiber powder, echinacea purp. herb powder, globe artichoke powder, goldenberry fruit powder, Graviola leaf powder & many more. View the entire list on [intotherainforest.com](https://www.intotherainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
