

DREC Constructions: ADU Construction Company in Orange County and Costa Mesa

Looking for ways to increase your home's market value? According to construction companies in Orange County, properties can sell for 40% more by simply adding an ADU!

Chino, California Aug 25, 2022 ([IssueWire.com](https://www.issuewire.com)) - If you are looking for a market with high real-estate value, Orange County is one of the best places in the United States. However, with the pandemic situation affecting the economic whole country, people are looking for ways to improve their cost of living.

DREC is an [ADU contractor in Costa Mesa](#) and other parts of Orange County that develops one-of-a-kind ADU homes that increases the resale value of the home. They have been an industry pioneer for over 25 years with many of their designs being featured in television and print magazines.

Finding construction companies that provide customized ADUs is a big hassle that a lot of homeowners face these days. Most of them develop a standard design which is fine if you want that. However, if you want to create a unique style that matches your home aesthetic, you need an [ADU construction company in Orange County](#) that specializes in customized designs.

This is where DREC Construction outplays every other ADU builder in California. Their customer-centric business model creates designs keeping in mind their customer's vision.
