

## EDM producer FusionError is making the world vibe with his mellow electronic beats

**Delhi, India Aug 23, 2022 ([IssueWire.com](http://IssueWire.com))** - Electronic music has been at its highest pinnacle throughout the current decade. Young yet seasoned electronic music producer, Kunal Kumar, better known by the stage name FusionError Aftermyth, is making a wave in the global EDM scene with his highly versatile and artistic soundscape. He has gained massive recognition and love from worldwide electronic music lovers within a very short time.

The gifted musician is originally from New Delhi, India. He began his music musical journey at the age of 18 with music production. The talented EDM artist is breaking all boundaries when it comes to music producing with a lucid understanding of the beats and melodic weaves. FusionError released his first single, 'Wonder' featuring Embro in 2018. He is deeply inspired by iconic artists like Alan Walker, The Chainsmokers, DJ Snake, Marshmello, and Hardwell and he is mostly interested in mostly house, trap, and future bass music.

FusionError is a rising electronic music producer from India with a huge international fan following. His single, 'I'm Falling' got ranked on iTunes in more than 20 countries, and another track, 'Nightmare' got featured in the popular Russian Boxing Champion league, 'Hardcore Fighting Championship'. Find his music on all major music streaming platforms.
