

Enjoy the Electrifying Vibes of Low Aura and Lose Yourself to the Beats and Tempo of His Song 'Arcana Current'

The buzzing beats and the thriving narration of Low Aura have made sure that his fans are provided with seamless music in 'Arcana Current' a brilliant melodious concoction.

Santa Barbara, California Aug 26, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Being a brilliant musician takes a lot of hard work and even after gaining wide popularity. And [Low Aura](#) has been seamless in a very way while crafting his numbers. From profound to addictive his songs will surely make you fall in love with him. His overwhelming number '[Arcana Current](#)' is a widely appreciated number with compelling verses

and ecstatic audacity of musical elaborations. While his voice offered gravity to the song, the narrative offered the soul of the song.

The song was narrated by Anthony Negrete, and he has done a magnificent job. Imber Records has produced the number, offering this embodiment of art to audiences across the world. **'Arcana Current'** has showcased the musical potential of Aura in the most beautiful way. And his power to make a number float based on its merit is truly amazing. He has flawlessly built a connection with his audience based on the wonderful lines of the song. His music also has some dark intense nature that is surely one of the best things.

'I Love You Most', 'Don't Let It Slip', 'In The Ways, We Move Here', 'This Feeling On', 'To Meet You There', 'Nothervision', 'All I Give', 'These Waves To You', 'Shapeshifter' are some of his brilliant musical ventures. **Low Aura** surely has a lot to offer to his listeners and will be back with more of his dark, electrifying, yet extensively charming numbers. Until then you can listen to his numbers on various music-streaming platforms including [Spotify](#), [Apple Music](#), and [YouTube](#).
