

# ePharmaCY: Get Free Delivery For Orders Above 100 EUR across Cyprus!

ePharmaCY, one of the most renowned online pharmacies, has announced a Free Delivery offer for orders over 100 EUR across Cyprus.

**Limassol, Cyprus Aug 30, 2022 ([Issuewire.com](https://www.issuewire.com))** - ePharmacy is the electronic platform of licensed pharmacies providing non-prescription items at the best market price. The pharmacy is a young family start-up company that prioritizes the health of its customers. Now, to make health and wellness products more accessible and affordable, ePharmaCY is offering free delivery for orders over 100 EUR across Cyprus. The offer has been made primarily to enhance the customer shopping experience from the online [pharmacy Limassol](#).

The ePharmaCY was established by Irakli & Alina with an objective to make a better marketplace and add more variety to the contingent of health & wellness while delivering the product promptly to the doorstep of their customers. Moreover, though they are building a new marketplace, they claim to introduce carefully selected brands that can vouch for exceptional quality and share the same values as those of the pharmacy, which is to focus on healthy, eco-friendly, and effective products.

These brands are from different parts of the world, including the USA, UK, Australia, European Union, Russia, and Japan. The manufacturers are well-known and do not need any introduction. Their extensive stock includes health & wellness products, supplements for proper nutrition, skincare & beauty items, dental & oral hygiene essentials, and many more. From [Tonimer Spray](#) to treat chronic nasal diseases to Vitabiotics Pregnacare Plus to provide complete nutrition to expecting mothers, you can find everything you need for a healthy lifestyle.

Furthermore, they assert to deliver the order on the same business day within Limassol and within 24 hours to any town or village of Cyprus. Besides, they profess to use green energy charged, solar power-based electric motorcycles for delivery purposes. Besides delivering non-prescription products all over Cyprus and abroad at the earliest possible, they do follow the laws and regulations of the Republic of Cyprus. To add to their feats, ePharmaCY has received certificates of quality standard ISO 9001 and ISO 22000. Thus, they ensure the highest standards of quality, service provision, and customer care,

To move a step ahead in the direction of the welfare of their customers, they have come up with this lucrative offer where you get free delivery across Cyprus for ordering products of value above 100 EUR. Grab the offer before it ends and make the most of it. If you live in Cyprus, you can easily avail this amazing deal and make the most out of it. So, for all your healthcare needs, ePharmaCY is one of the best destinations where not only do you get assurance for quality but also they let you make savings. Visit the website now!
