New Delhi, Delhi Aug 17, 2022 ([Issuewire.com](https://www.issuewire.com)) - If you planning your next trip to India, then you should consider the easy-to-avail electronic travel authorization services offered by the Indian government. Citizens from over 180 countries can avail of this travel authorization without any physical stamping on the passport. This e-Visa will offer you mainly three visit purposes with which you can enter the country. The visit purposes are Tourism, Business visit, and medical visit. The first two aspects that you have to be as per the norms of the **Indian Visa Online Application** process are your nationality and your purpose of visit. You have to be a citizen of these 180 countries otherwise you will not be eligible for the visa. And your purpose will be any three of the stated or else you have to apply for a relevant visa. <https://www.indiavisa-online.org/india-visa-online>

Citizens coming from the Maldives or Nepal will not require any visa, and for people coming from Pakistan, a government clearance will be mandatory. If your citizenship country is not enlisted then you have to opt for a traditional paper visa. And in some instances, you can also have Visa on Arrival for a limited time in some limited airports. **Indian Visa Application Online** will not require any elaborated work; on the contrary, it will hardly take five minutes of your time to apply for the visa. You have to offer them your details like your first name, last name, gender, date, and place of birth, citizenship country, and identification mark (if any). Employment details and contact details are also required for the process. <https://www.indiavisa-online.org/visa>

With an Indian e-Visa you can stay from a month to 6 months depending on the visa you have opted for. The passport you are carrying should be at least valid for the next 6 months from the day of your arrival in India. To pay for the visa you can choose two processes you can make the payment via your debit or credit card or you can pay for the visa by using PayPal. The visa will be accepted in 28 major airports in India including Delhi, Mumbai, and Chennai, and 5 seaports in India. After you have completed the **Indian Visa Online Application** process the visa will reach you within 4 to 7

days. <https://www.indiavisa-online.org/indian-online-visa>
