

Get Your Daily Dose of Positivity with Jae Shik's Extremely Fascinating Track 'You Are Here Now'

With well-formed verses and greatly arranged music, Jae Shik is set to make the world groove along with exquisite musical formations in his number 'You Are Here Now'.

Seattle, Aug 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - Seattle-based singer, songwriter, and music producer [Jae Shik](#) is making the world fall for his extremely gripping musical formations. One of his recently released numbers '[You Are Here Now](#)' is one of his most brilliant performances. Music is certainly his way of communicating with the world full of music lovers, and he is going a great job incorporating

some charming dictions in each of his numbers. The song is produced and distributed by his production label Jae Shik Productions.

Colin James Jae Shik Mange has written the lyrics of the song '**You Are Here Now**', and it is saturated with Shik's unique and individual styles. The compelling musical graphs are setting the bars high for his audience as he is extremely elaborated with his music. He is now concentrating to make more numbers for his first solo album. And it is evident that the songs are going to be extremely luxurious to witness, as he has a lot to offer to this industry and to his audience as well.

Gravitating songs like 'Bad Weather (Burning Up My Heart)', 'In The Summertime', 'Underwater', 'With U', 'Gone Forever', 'You Make Me Feel', 'I Want This', 'Falling In Love', 'Paradise', and 'Heart on Fire' are some of his extremely popular and elevating tracks that he offered by far in his music career. And he will be back soon with his debut album soon. If you follow **Jae Shik** on [Instagram](#) then you can catch him covering some of his favorite numbers of all time. You can listen to his music on [Spotify](#), [YouTube](#), and [Apple Music](#).
