Hong Kong, Hong Kong S.A.R. Aug 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Housing Market Groups](#) second-quarter results show we're on solid ground as we pursue our long-term growth initiatives.

Our large, engaged audience, strong core business, and healthy balance sheet allow us to keep our attention on our vision and strategy.

Our focus on the customer remains steady. We're making progress on building an integrated digital experience — a “housing super app” — to help customers across all their real estate needs by investing in and delivering solutions within our key growth pillars, such as financing, touring and seller services.

Even in a challenging macro environment, people do not put dreaming and shopping on hold — and [Housing Market Group](#) is where they're looking: Our apps and sites received 5.3 million visits in Q2, up 35% year over year.

Read more about our results and our progress toward delivering integrated solutions that make it easier for people to transact in real estate.
