

India Visa Online Is Helping French And American Citizens To Visas Efficiently

New Delhi, Delhi Aug 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - India's e-Visa program has been started in 2014 and since then, it has helped many foreign citizens to travel with more ease and convenience. Being the launch members of the e-Visa program, USA and France can take complete advantage of this visa in order to travel to India. This visa is fast to obtain, efficient and also comes within an affordable budget for everyone to avail of. There are multiple types of visas to opt for based on the purpose of the travel for foreign citizens such as the Tourist e-Visa for India which comes with a validity of 1 month, 1 year, and 5 years respectively. There is also a Business e-Visa for India which comes with a validity of 12 months and lastly, there is a medical visa for emergency medical purposes.

INDIAN VISA FOR US CITIZENS can be obtained by filling up a simplified application form offered on the website. It only takes a few minutes to fill up the form and any eligible citizen can avail of it who holds a valid passport. Since the whole process of e-Visa obtaining takes place on the internet, the applicants do not have to physically appear in the Indian embassy for verification. After the document is generated, it will be sent via email to the compliments. It only takes 3 to 4 business days to obtain the visa and the travelers are advised to apply for the visa at least 7 days before. Similarly, INDIAN VISA FOR FRENCH CITIZENS also comes with a handful of beneficial options. The e-Visa allows entering through 28 airports and 5 seaports in India. Since it is a multiple entry visa, French citizens can enter the nation multiple times during the valid phase of the visa. However, each stay cannot be longer than 180 days for a single stay. There is a 24*7 active helpdesk to guide the

applicants through the whole process and they can communicate in 47 languages. Easy payment methods such as credit cards, debits cards, and PayPal are also included.
