Indian Visa Online has enlisted 6 kinds of visas depending on the reason for your visit. The options are Tourist Visa, Business Visa, Medical Visa, Visa on Arrival, Regular paper visa, and Diplomatic Visa you can choose accordingly. But the longest time that they will offer in their visa application is 6 months or 180 days. If you are willing to stay longer than that you should apply for a regular visa which involves embassy visitations. And to visit India with this visa option you will have to go through a very easy 5-step process. Fill out the online visa application form, and then make the payment using any of the payment methods. The visa will reach you within 4 to 7 days.

In some cases, the visa officials need more documentation like photographs and a scanned copy of your passport. You have to provide them and the visa will be sent to you via your email address. And the visa

will also electronically link with your passport which can be seen by the airport authority. And the fifth and final step of the procedure is visiting the airport to take your flight to India. You can also choose to commute by sea, as this visa will be accepted in 5 major seaports of India. The entire **Indian Visa Application Process** will hardly take 5 minutes and you can do it by using your Smartphone or laptop.
