

Isaiah Cruz, PMHNP, Psychiatric-Mental Health Nurse Practitioner

Get to know Psychiatric-Mental Health Nurse Practitioner, Isaiah Cruz, who serves patients in Fort Wayne, Indiana.

New York City, New York Aug 9, 2022 ([IssueWire.com](https://www.issuewire.com)) - Isaiah is a psychiatric-mental health nurse practitioner currently serving his patients in Fort Wayne, Indiana. He specializes in addiction medicine, pornography addiction, and alcohol addiction. In addition, he is certified in Basic Life Support (BLS).

Academically, he attended Owens Community College and earned his Associate's Degree in Nursing in 2012. From there, he attended Ohio University and earned his Bachelor of Science in Nursing degree in 2014, followed by his Master of Science in Nursing degree in 2021 from Wilkes University.

In order to remain current in his field, Isaiah is a professional member of the American Association of Nurse Practitioners.

A Psychiatric-Mental Health Nurse Practitioner (PMHNP) is an advanced practice registered nurse trained to provide a wide range of mental health services to patients and families in a variety of settings. PMHNPs diagnose conduct therapy and prescribe medications for patients who have psychiatric disorders, medical organic brain disorders, or substance abuse problems. They are licensed to provide emergency psychiatric services, psychosocial and physical assessment of their patients, treatment plans, and manage patient care. They may also serve as consultants or as educators for families and staff.
