Get to know Dentist Dr. Jaline Boccuzzi, who serves patients in Pompano Beach, Florida.

New York City, New York Aug 16, 2022 ([Issuewire.com](https://www.Issuewire.com)) - A committed dentist, Dr. Boccuzzi works

with patients at her private practice in Pompano Beach, Florida. She and her staff value their patient relationships, making it their priority to deliver the gentle compassionate care that they deserve from a dentist in South Florida. They work hard to make patients feel at ease by providing exceptional patient care in a relaxed, convenient atmosphere.

Before embarking on her professional journey, she graduated with her Dental Hygiene degree from Tallahassee Community College in 1988. While working as a hygienist, she realized she enjoyed being in the dental field but wanted more. She obtained a Merit Scholarship, moved to Boston, Massachusetts, and in 1995 was awarded her Doctor of Medicine in Dentistry degree from the Tufts University School of Dental Medicine. She is also an Accredited Member of the American Academy of Cosmetic Dentistry (AAACD), which represents the successful completion of the most valid and validated process in the field of cosmetic dentistry.

Recognized as an Invisalign Preferred Provider, Dr. Boccuzzi has completed her Spear Education and has received advanced training from the Dawson Center for the Advancement of Dentistry, the Rosenthal Institute, and Aesthetic Advantage, and the L.D. Pankey Institute for Advanced Dental Education.

Maintaining membership status, she is an active member of the Florida Academy of Cosmetic Dentistry, the American Dental Association, the Academy of General Dentistry, the Florida Dental Association, and the Atlantic Coast Dental Association. She is also a member of Delta Sigma Dental and the Pompano Beach Chamber of Commerce since 2002.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries, create beautiful smiles, and perform other duties to ensure that the teeth and mouth are healthy.
