

Japanese & Latvian Nationals Are Now Eligible To Having Their Indian Visas Delivered Online

New Delhi, Delhi Aug 25, 2022 ([Issuewire.com](https://www.issuewire.com)) - India is a country known for its diverse culture and rich history. People from every part of the world wish to visit India at least once in their lifetime. Well, now, with the help of renowned agency **India-visa-online**, Japanese and Latvian citizens can also enjoy a fast entry to India. Depending on the purposes of tourism, business visits, or even medical visits, the agency is working hand-in-hand with the Immigration Agency and the Government of India to ensure foreign travelers a smooth entry into the country. Being the launch members of the India e-visa program, both Japanese and Latvian citizens are eligible to apply for their online Indian visas with respective purposes of visit.

The online process brought by the agency guarantees that the **Indian visa for Japanese citizens** can be obtained by sitting in the comfort of your home. There is no need to visit your nearest Indian embassy whenever applicants from Japan apply for their visas online via this agency. The online process requires willing applicants to fill out a form including their contact details, address, email address, and passport details.

The safe and secure payment process brought by the agency lets applicants pay via a debit card, a credit card, or even by a PayPal account. After successful submission and payment, the approval process starts, and it takes up to 3-4 days for your visas to be approved. Japanese citizens can visit <https://www.india-visa-online.org/indian-e-visa-eligibility/japanese-citizens> for more information. Talking about the **Indian visa for Latvian citizens**, the process remains the same. In addition, Latvian nationals can visit <https://www.india-visa-online.org/indian-e-visa-eligibility/latvian-citizens> for detailed guidelines. However, if the agency requires any additional documents for approval, they will contact you immediately.

Citizens of both Japan and Latvia must note that they can issue an India visa online for up to a validity of 5 years. They must not exceed the stay period of 180 days, as other nationalities get the permit of staying only up to 90 days in India. Applicants can expect their visas to be delivered to their provided email address and take a printout while going to the airport.
