tends to patients at Main Line HealthCare Family Medicine in Paoli. He provides personalized, compassionate care and encourages all his patients to take an active role in their health and wellness. His special areas of interest include preventive medicine, sports medicine, musculoskeletal health, and palliative care.

The physicians and staff at Main Line HealthCare Family Medicine in Paoli practice medicine by providing five-star care to all patients. Their core values include compassion, clarity, commitment, consistency, and communication. Patients are encouraged to be present and active in developing personalized treatment plans with an emphasis on the latest health maintenance guidelines to promote continued wellness throughout the patient's lifetime. Their patient-centered health care providers work hard to ensure all patients stay well ahead.

Pertaining to his educational pursuits, Dr. Stevens earned his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine and completed his residency in family medicine at Bryn Mawr Hospital.

As a testament to his success, the doctor is board-certified in family medicine by the American Osteopathic Board of Family Physicians, which is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

Professionally, he is an active member of the American Academy of Family Physicians, and the American Osteopathic Association.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
