Atlanta, Georgia Aug 22, 2022 (Issuewire.com) - Josh Waters drops a beautiful new song "Cyclone" produced/directed by WLPWR (Wiz Khalifa, Dizzy Wright, Yelowolf, etc.).

Josh Waters, a rising star from Hattiesburg, Mississippi, laments the devastation caused by the newest

"Cyclone." This lovely acoustic guitar-driven song is created by multi-platinum WLPWR (Eminem, Wiz Khalifa, YelaWolf, Big K.R.I.T, Travis Barker).

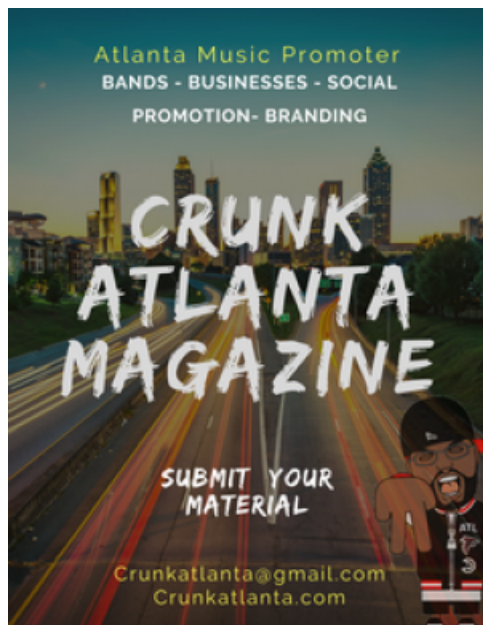

Josh has established himself as one of the genre's greatest young artists, capable of evoking his innermost emotions via his evocative songs. Josh will release a new song every week in 2020! He was constant with the effort, releasing 52 songs that went viral immediately, and he soon had a wide collection of songs that reflected his flexibility and ingenuity. Josh is preparing to release new songs under WLPWR's new label BNDWTH, which will include his writing and silky voice.
