

Kisha P. Page, BSN, RN, a Registered Nurse with TriStar Summit Medical Center

Get to know Registered Nurse, Kisha P. Page, who serves patients in Hermitage, Tennessee.

New York City, New York Aug 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - Kisha is a registered nurse currently affiliated with TriStar Summit Medical Center in Hermitage, Tennessee. To provide her patients with the best care, she specializes in neurology, ICU, and telemetry. Additionally, she is certified in Advanced Cardiac Life Support and Basic Life Support.

Academically, she graduated with her nursing degree from Union University in 2011. Furthermore, she is a professional member of the Tennessee Nurses Association and the American Nurses Association.

On a more personal note, Kisha attributes her success to her love of people and helping them.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
